

● Superheroes blasted with colour in charity fun run

BRIGHT colours filled the air in Boundary Park, Didcot, for a charity superhero colour run.

A sea of superheroes descended upon the sports park in August to help raise funds for two local charities.

The fun run was organised by charities Style Acre and Play2Give and all the proceeds from the day were split between the two causes.

Play2give is a Didcot fundraising organisation that supports many local charities with a particular focus on children, health and disability causes. Style Acre is a charity that enhances the lives of people with learning disabilities and autism.

More than 100 runners and walkers were bombarded with colour along the 1km course with two colour stations along the way as they ran, walked, wheeled, flew or pushed the course.

Mayor of Didcot, councillor Mocky Khan, took part as Ironman, and handed out medals to all the competitors and deputy Mayor Pam Siggers also joined in.

From Mr Incredible and Robin to Wonder Woman to Supergirls and boys, then fun run was full of fantastic outfits.

The town's Tesco community champions were giving out fruit and treats and Pure Gym instructors handed out water and led fun and energetic warm ups.

The colour run raised more than £548 for both Play2Give and Style Acre.
